

Qualified heavy good vehicle (HGV) mechanic

MAN Importers Ireland – Dublin

Job Summary

MAN Importers Ireland Limited are seeking **TWO qualified HGV mechanics** to join our team.

MAN Importers Ireland limited -part of the successful OHM Group- are the importer and distributor of MAN light & heavy commercials in Ireland.

Due to expansion, we have an immediate vacancy for two qualified HGV mechanics who wish to further their career.

The ideal candidate will have the following attributes.

- Fully Qualified HGV Mechanic Preferably with 3+ years' experience.
- Good electric and electronic diagnostic ability.
- A full clean "B" licence
- Willing to work (in a rota) on our 24 hours' emergency breakdown service.
- Experience with light commercial vehicles would be a *distinct* advantage.

The positions are full time & permanent.

We offer excellent working facilities in a modern well equipped purpose built workshop.

Extensive training will be provided.

Following a successful trial period, the candidates will be eligible to join our group health insurance and pension schemes.

Please contact Tom Farrington to arrange an interview.
