Speaking on the occasion, Joerg Bauch, Area Sales Manager MAN Truck and Bus Middle East FZE, drew focus on what makes this so special. He highlighted MAN's history as a driving force behind the exceptional trust the brand has earned in Oman and across the world. He emphasized on the importance of listening to what customers want and going great lengths to realize those wishes.

A spokesperson from Arabian Engineering Services said, "MAN has a long-standing and impressive history. Their products underline the importance of trust and dependability while continuing to remain a rich source of inspiration for many. MAN products have contributed passionately to moving the industry forward with their products that have helped the brand grow closer to customers. In Oman too, MAN has withstood varied climatic conditions and diverse terrains to emerge victorious, thereby encouraging customers to not just achieve their business objectives but to go much beyond them. No wonder today MAN Truck and Bus commands an impressive market share in Oman."

"For Arabian Engineering Services, customer satisfaction has always remained a top priority. Continued investments in state-of-the-art facilities and a nationwide network of branches that provide strong after-sales service has made MAN the heavy vehicle brand of choice for many customers here in Oman", he added.
