United Motors and Heavy Equipment Co. awarded top performing service centre in Middle East and Africa by MAN

The MAN service centre in al-Qusais managed by the exclusive MAN distributor in the Emirate of Dubai, United Motors and Heavy Equipment Co. has been awarded the top performing service centre in the Middle East and Africa by leading manufacturer of mass transport vehicles MAN Truck & Bus. At a ceremony to mark this occasion at the Big 5 International Building & Construction Show in Dubai World Trade Centre, Markus Geyer, CEO Sales Region Middle East & Africa for MAN presented the award to Khalifa Saif Darwish Alketbi, Managing Director of United Motors and Heavy Equipment Co. and Darwish Bin Ahmed in Abu Dhabi.

The UAE service centre outperformed 42 service centres from 35 participating countries in the region, in addition to being ranked among MAN's top performing service centres globally. 10 service centres from the Middle East and Africa were recognized for excellence, proving the high quality of after-sales support MAN is committed to providing to its customers in the region.

“On this occasion, I would like to congratulate United Motors & Heavy Equipment Co. for this achievement. Their superior service delivery team and customer oriented mind-set has been the key to winning this award. The harsh terrain, climate and intense work load demands strong after-sales support to maintain high vehicle performance. MAN has a big product footprint in the Middle East and North Africa region, with more than 70.000 trucks and more than 8.000 buses currently in operation on regional roads,” said Rudolf Wiegand, MAN Vice president After Sales in Middle East and Africa.

“Our product range and dedication to customer services are focused on maximising our client's investment, with our vehicle range recognised for delivering a high level of driver and passenger comfort and safety, efficient and economical fuel consumption, high performance in difficult terrain, superior payload and on-road performance.”
