

New Licence Agreement Signed at SMM

Copenhagen,
22/09/2010

MAN Diesel & Turbo has signed a four-stroke license agreement with Rong An Power Machinery, the Chinese marine engine manufacturer.

Dr. Stephan Timmermann, Executive Board Member MAN Diesel & Turbo, and David Deng, President Rong An, signed the new agreement on behalf of their respective companies on 7 September 2010 in a ceremony at MAN Diesel & Turbo's stand at the SMM international marine trade fair in Hamburg. Rong An previously signed a two-stroke license agreement with MAN Diesel & Turbo in September 2008.

About Rong An

Hefei Rong An Power Machinery Co., Ltd. was established in 2007 in Anhui Province, Eastern China, and production of its first MAN B&W 6S70MC6 engine started this year.

The signing of the four-stroke agreement is part of the company's strategic plan to develop into a composite industry park, starting with low-speed diesel production and, now, moving into medium-speed production with an ultimate goal of providing total solutions to ship power systems.

About MAN Diesel & Turbo

MAN Diesel & Turbo SE, based in Augsburg, Germany, is the world's leading provider of large-bore diesel engines and turbomachinery for marine and stationary applications. It designs two-stroke and four-stroke engines that are manufactured both by the company and by its licensees. The engines have power outputs ranging from 450 kW to 87 MW. MAN Diesel & Turbo also designs and manufactures gas turbines of up to 50 MW, steam turbines of up to 150 MW and compressors with volume flows of up to 1.5 million m³/h and pressures of up to 1,000 bar. The product range is rounded off by turbochargers, CP propellers, gas engines and chemical reactors. MAN Diesel & Turbo's range of goods includes complete marine propulsion systems, turbomachinery units for the oil & gas as well as the process industries and turnkey power plants. Customers receive worldwide after-sales services marketed under the MAN PrimeServ brand. The company employs around 12,700 staff at more than 100 international sites, primarily in Germany, Denmark, France, Switzerland, the Czech Republic, Italy, India and China. MAN Diesel & Turbo is a company of the Power Engineering business area of MAN SE, which is listed on the DAX share index of the 30 leading companies in Germany.
