Once again, the very high participation rate illustrates the significance and interest in this competition: 55 percent of all invited service workshops and service partners have registered. The best 22 teams from 11 countries located in the sales regions Eastern Europe / CIS, Germany, Middle East & Africa and Western Europe were invited to the finals in Munich on October 20, 2015. There, they demonstrated their theoretical and practical abilities in many After Sales areas.

In four competition rounds, the winners prevailed over 799 workshop teams from all over the world and are now excited about their prize: a trip full of adventures.
